WandaJ this is the dial in number for the opening meeting for the WV
Health Lab inspections. We plan to start at 9 AM. The teams will be at
both locations that morning so with this telephone bridge we all should be
able to call in and hear each other.

For the closing of the lab and the program review the teams will be at one
location and we can call you directly on a speaker phone.
I have you phone number as 215-814-3249

Also so something unexpectedly come up my cell is Ex. 6 - Personal Privacy
